

Outcomes Committee Reports February, 2019

1. As an FYI, faculty have reported more errors in eLumen during the Fall 2018 SLO assessment period than in previous years.
2. As a reminder, PLO reports are new for Fall 2018 and resources are available on the COC website:
<http://pshare.piercecollege.edu/committees/senate/outcomes/layouts/15/start.aspx#/SitePages/Home.aspx>
3. **PLO/Course Report and SLO dues dates Fall 2018:**
 - a. The committee had a robust discussion regarding how to use the available data for course and PLO reports to improve courses and programs. It was discussed that the current available data reports are very general (simple overall percentages, lack of granularity and/or disaggregation) and are challenging to use for improvement. It was discussed that reports could discuss problematic, missing, or incomplete data.
 - b. **Action:** The committee discussed and approved by acclimation a due date of Friday, 2/1/2019 for SLOs, PLO reports and course reports
4. **ILO 7 Assessment:**
 - a. The committee discussed the benchmarks included in ILO 7, including how benchmarks are developed, the rationale of benchmarks, and possible strategies if benchmarks are not met.
 - b. **Action:** The committee discussed and approved by acclimation the ILO 7 assessment report prepared by the ILO 7 task force.
5. **Pierce Assessment Day:**
 - a. Pierce Assessment Day was held on 1/25/19. SLO quality and course/PLO reports were discussed.
6. **COC Handbook:**
 - a. **Action:** The committee discussed and approved by acclimation creation of an Outcomes Handbook that will be comprehensively reviewed and updated every 4 years
7. **Guided Pathways:**
 - a. The committee had a robust discussion regarding how Outcomes and can inform the college-wide Guided pathways effort.
