## Board of Trustees

### Meeting Agendas and Minutes

Board members are elected at large for terms of four years. Elections are held every two years, with three members being chosen at one election and four members at the other. The President, First Vice President and Second Vice President of the Board of Trustees are elected by the Board for one-year terms at the annual organizational and regular meeting in July. A student member is elected annually—the term is June 1 through May 31 of each year.

The Board generally meets twice a month on Wednesday with the public session commencing at 2 p.m. with closed session to follow. However, special meetings of the Board are sometimes called to handle business that cannot be dealt with completely at a regular meeting.
