

The Accreditation Team needs volunteers!

The Accreditation Team is starting the process of gathering evidence to write the Midterm Report. For this Midterm Report, we must respond to our Quality Focus Essay, the College Recommendations for Improvement, and the Plans Arising out of the Self Evaluation. **To complete this large task, we need the help of the Pierce College community.**

We have formed **four groups**, with each group focusing on an area of the Midterm Report.

Team 1 will be finding evidence to show our efforts to improve **Outcomes**.

Team 2 will be finding evidence to show our efforts to improve **Professional Development**.

Team 3 will be finding evidence to show our efforts to improve **Technology**.

Team 4 will be finding evidence to show our efforts to improve the **Mission Statement, Distance Education, and Student Engagement**. This team will also gather evidence to support **all of the Plans Arising out of the Self Evaluation**.

If you would like to be a part of a team, please contact Yvonne Grigg: griggyc@piercecollege.edu / (818) 710-4324.

We look forward to working with a variety of people to help prove that Pierce College is committed to improvement!

Thanks.
