## Evidence – College Recommendation 4

In order to improve, the team recommends that the Distance Education program should expand the analysis of Distance Education success and retention data, including disaggregated data, across the institution and by programs. It should expand on these discussions to include identification of gaps as well as action plans for addressing those identified gaps.

# Ideas for Evidence

- APP Data
  - APP Departments Reports
  - APP for PierceOnline
  - Minutes from meetings when data is discussed
  - Notes from Department meetings
- 
- When all else fails, seek out individuals who might be able to put you the right path or who could have information.
