Resources Advisory Committee

Responsibilities

Utilizing a systematic process, the Resource Advisory Committee (RAC) is responsible to review and consider the college’s four area resource priorities and annual resource availability. The RAC prioritizes the needs of the college and makes annual recommendations (each spring semester) for funding to the Pierce College President.

The role of the committee shall be the following:

1. Establish a process and the criteria to prioritize resource requests.
2. Review annual resource availability provided by the college Budget Committee.
3. Review priorities submitted by the four areas of the college (Vice Presidents [3] and College President).
4. Make recommendation to the College President

Charter will be reviewed on an annual basis. Quorum is based on active membership. The members listed show their status.

Operations and Procedures

- The committee shall be chaired by a member of the committee.
- The term of office of all committee members except senior staff or their designees shall be two (2) years. The terms of the nonpermanent committee membership will be staggered so that one-half of the committee is selected at the beginning of each academic year*. Nonpermanent committee members shall be appointed by their constituencies.
- The committee shall invite the participation of other members of the campus community, when appropriate, to help in the information-gathering and/or decision-making process.
