Dear President Burke,

College staff has brought to my attention that the College will be offering two new degree programs. The information provided by the College indicates these degrees do not contain new courses or substantial changes, but instead reformat the existing curriculum.

The new programs are:

- AA-T English
- AA-T Sociology

Based on the description Los Angeles Pierce College has provided, these programs are not substantively new and will not necessitate a substantive change review by the Commission. Thank you for bringing this to our attention and please let us know if there are any changes in the information provided by the College.

Sincerely,
